All design starts from the
concept, and is done in
great detail around the
function.

A photograph of a modern office interior. The foreground is dominated by a dark grey, textured carpet. In the background, there are several cubicles with light-colored wooden desks and red privacy screens. A black office chair is visible on the right. Large windows on the right side of the office provide natural light. The ceiling is white with recessed lighting.

Design is a feeling, a state
of mind, a comfortable and
happy lifestyle.
